PUTTY

PUTTY - THE GAME OF IMMENSE PLAYABILITY, THE CHARACTER OF IMMENSE PLIABILITY

Forget about hacking, slaying, punching and kicking - it's time to inflate, stretch and bounce your way through a very wierd and wonderful world. Banished from your home planet of Putty Moon by your arch enemy Dazzledaze, you are befriended by a colony of robots who are striving to build a skyscraper high enough for you to get back home. But hurry, before all the remaining Putty People are taken to earth and turned to bubblegum.

PUTTY - DER TOLLE SPIELSPASS MIT DEN WABELWESEN VOM PUTTYMOND

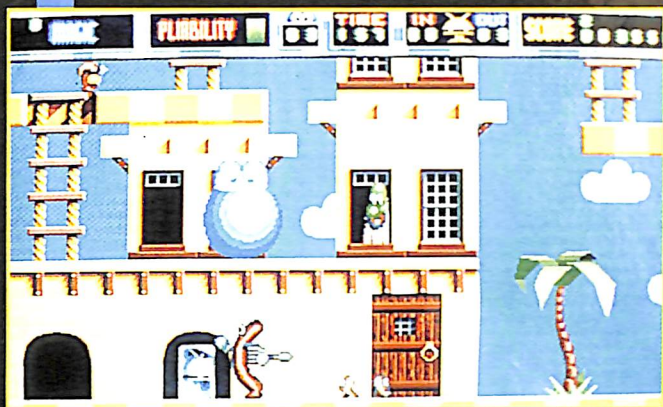

Vergeßt das Hacken, Schlagen, Treten - zeitgemäßer ist es, sich aufzublasen, sich auszudehnen und durch eine sehr seltsame, aber wundervolle Welt zu hüpfen. Nachdem Euch Euer Erzfeind "Dazzledaze" von Eurem Heimatplaneten "Puttymond" verbannt hat, schließt Ihr mit einer Kolonie von Robotern Freundschaft, die es sich zum Ziel gesetzt haben, einen so hohen Wolkenkratzer zu bauen, daß Ihr von ihm aus wieder in Eure Heimat gelangen könnt. Aber Ihr müßt Euch beeilen, denn alle verbliebenen Putty-Bewohner sollen als Kaugummi auf die Erde geschafft werden.

PUTTY - JEU D'UNE IMMENSE JOUABILITE, PERSONNAGE D'UNE IMMENSE FLEXIBILITE.

Il est temps d'oublier les coups de couteau, les coups d'épée, les coups de poing, et les coups de pied. Le moment est venu de vous gonfler, de vous étirer, et de bondir pour vous frayer un chemin dans ce monde étrange et merveilleux. Banni de votre propre planète, la "Lune Putty", par votre ennemi numéro un, Dazzledaze, vous recevrez l'aide d'une colonie de robots qui font de leur mieux pour construire un gratte-ciel suffisamment haut pour vous permettre de rentrer chez vous. Mais, faites vite. Vous devez rentrer avant que tous les habitants de Putty ne soient emmenés sur terre où ils seront transformés en chewing-gum.

PUTTY - IL GIOCO GIOCABILISSIMO E IL PERSONAGGIO FLESSIBILISSIMO

Basta con il tagliare, l'ammazzare, il dare pugni e calci - ora è tempo di gonfiare, di allungare e di rimbalzare per un mondo meraviglioso e stranissimo. Cacciato dal tuo mondo di "Putty Moon" dal tuo arcinemico "Dazzledaze", tu vieni accolto da una colonia di robot che cercano di costruire un grattacielo talmente alto da farti tornare a casa. Ma fai presto, prima che tutti i Putty rimasti vengano portati sulla Terra e usati come gomme da masticare.
